

TESTICULAR IMPLANTS

SEBBINI PARIS
ESTHETIQUE & RECONSTRUCTION

Recreating harmonious bodies for a new vision of rebirth.

Height (mm)	Diameter (mm)	Volume (ml)	Reference
25	21	6	LS 01 025
34	27	12	LS 01 034
40	30	17	LS 01 040
50	33	27	LS 01 050
53	38	38	LS 01 053

Not every device will conform to the dimensions given. Slight variations may occur. On demand, production of a textured surface (reference LST).

SHAPE AND CONSISTENCY OF A TESTICLE

Various sizes corresponding to patient morphology

Our sterile and single use testicular implants are sold by unit.

CONTINUITY Manufacturing process developed throughout the last 25 years.

RELIABILITY Chemical and biological evaluation of raw materials then microbiological evaluation of each batch. Optical and technical controls of the implants at each step of the manufacturing process.

TRACEABILITY Each implant identification number allows traceability from the raw materials up to the implantation. We introduce our new bar code system GSI-128 to improve everyday life.

SERENITY Highly qualified staff working in clean room.
